

MYidealDOCTOR

Your direct link to a physician 24/7

How it Works

By Phone

Step 1:

**Call Toll Free Customer Care
Hotline 24/7/365**

Step 2:

Speak With a Care Coordinator
They will triage (determine your basic need) you and locate the next available Provider

Step 3:

Speak with a Doctor
Our Doctors are automatically connected to you and you are ready for your consultation

By Video

Step 1:

**Logon to your Personal EHR
(Electronic Health Record)**

Step 2:

**Fill out medical history and
update information**

Step 3:

See the Doctor Now
Once a provider is located you will be ready for a consultation
